Two Receptions in July

The gallery held two receptions in July. Our first reception was for our **Guest Artist, Lew Wallace**, held on July 3rd. His unique style and talent was shown through his wonderful display of works. Lew explained his painting process which is somewhat a technical style and is created over a period of time combined with lots of patience.

The next reception was for all gallery **Consignment Artists** held on July 17th.

These artists work in a variety of mediums and several did demonstrations throughout the day. Thanks to

Madelene Gozansky (Weaver), Bill Johnson (Tapestry artist), Patty Evans (Jeweler), and Charlotte Ferrand (Ceramic artist) who demonstrated their talents and the process of making their creations.

The gallery offers opportunity for Local Artists and various mediums. If you are interested in becoming one of our artists, please contact us at 828-883-3830 or Pat Dennis/membership at email: pjden3@gmail.com or phone # 828-884-9536. We have several membership options at the gallery.
